○授業の目的・概要等		
授業の目的	[English 4] is listed as a communication subject. Students will strengthen their English listening, speaking and writing skills through studying conversations and reading passages related to familiar topics. Students will participate in pair activities and work in small groups to practice these skills. The aim of this class is to build on students’ grammar and vocabulary knowledge acquired in their secondary schooling and develop their practical communication skills. [English 4] therefore contributes to “the development of specialist knowledge and practical application skills required to meet the needs of industry” and the “the acquisition of communication skills needed to work well in a team”, as stated in the NBU Diploma Policy.	
授業の概要	Through extensive practice in listening, speaking, reading and writing students will be given many opportunities to strengthen their communicative competence.
